## MEMORANDUM FOR THE RECORD

SUBJECT: DCI Appearance Before the Inter-American Affairs  
Subcommittee of the House Foreign Affairs Committee

1. The Director, accompanied by Legislative Counsel, met with the Inter-American Affairs Subcommittee for approximately two hours on 18 June. All of the members of the full Committee had been invited and the members present were as follows:

Subcommittee Members

Byrd, Robert C. (D., W. Va.) Chairman  
O'Hara, Barratt (D., Ill.)  
Jackson, Donald L. (R., Calif.)  
Morano, Albert P. (R., Conn.)

Committee Members

|                                      |                                     |
|--------------------------------------|-------------------------------------|
| Burleson, Omar (D., Tex.)            | Vorys, John M. (R., Ohio)           |
| Kelly, Edna F. (D., N. Y.)           | Bolton, Frances P. (R., Ohio)       |
| Selden, Armistead I., Jr. (D., Ala.) | Judd, Walter H. (R., Minn.)         |
| Pilcher, J. L. (D., Ga.)             | LeCompte, Karl M. (R., Iowa)        |
| Farbstein, Leonard (D., N. Y.)       | Church, Marguerite Stitt (R., Ill.) |
| Saund, D. S. (Judge) (D., Calif.)    | Curtis, Laurence (R., Mass.)        |

2. This memorandum will not cover the details in view of the fact that a transcript was taken and will be available for review. As can be seen from the list of members present, the meeting was very well attended and there seemed to be a great deal of interest in hearing from the Director the intelligence aspects of Latin American problems and the Vice President's trip. The session seemed to be conducted in an air of attempting to arrive at the facts and gain information from the Director.

~~CONFIDENTIAL~~

There was no air of hostility or recrimination that I could detect. Both Mrs. Kelly and Mrs. Church asked fundamental questions about the role of the Agency and the procedures by which intelligence and intelligence estimates were made available to governmental leaders. Mrs. Bolton was very interested in our language incentive program and wanted further information. She also was interest in Communist utilization of women's organizations (she recently was briefed by us on this subject as it pertained to Africa). Mrs. Church also was interested in this facet.

3. There are a number of items contained in the transcript which will require action within the Agency in sending forward additional information to the Subcommittee. These matters will be worked out with WH Division and Legislative Counsel.
